Watch the magic in Little Bavaria.
Savor the taste of Paris!

Step 1:

Made-from-scratch batter is spread thin on the griddle. Every crepe is made to order!

Step 2:

Next, our crepe artists flip the crepe.

Step 3:

The most important part: the filling! Savory or sweet toppings are spread over the crepe.

Step 4:

The crepe is wrapped around the filling and folded - perfect for on-the-go.

Step 5:

The finished crepe! Strawberry Cheesecake!
